

A narrow street in a historic town, showing a yellow car parked on the left and a stone wall on the right. The street is paved with cobblestones and has a low stone wall on the right side. The wall is made of rough, weathered stone and has a small, dark, rectangular opening. The street leads to a larger building in the background. The sky is overcast. In the bottom right corner, there is a date stamp: 10.07.2017 02:40.

An aerial photograph of a residential neighborhood. A dashed black line outlines a specific plot of land, which is the subject of the study. The plot is situated between a road and a green area. The surrounding area includes several houses with red-tiled roofs, a road, and a green area. The dashed line is clearly visible, indicating the boundary of the study area.
